The Denver Fringe Festival is an innovative performing arts festival that takes place every June in the RiNo/Five Points area.

We attract diverse artistic voices and bold, progressive artistry and feature nearly every form of performing arts imaginable.

We support open access to the arts by making sure people can enjoy a variety of fresh, original performing arts at an affordable price.

We cultivate new work by providing a variety of performance venues, promoting the festival and selling advance tickets online.

We believe that the arts are not only an important economic driver, but that they build community and promote civic dialogue.

Our guiding principle is arts for all.
What do you get when you combine gutsy, eye-popping, mind-blowing live performance with a variety of creative venues and the support of an arts-loving community? Pure magic! The Denver Fringe Festival is a community-oriented arts festival with the goal to cultivate the performing arts in Denver and make live performance accessible to all.

**SPONSORSHIP**

We’re looking for like-minded community members who share our belief that bringing artists and audiences together helps cultivate a vibrant, inclusive, safe, resilient and sustainable community. As a 501c3 arts organization, we rely on both financial and in-kind support from a variety of sources. Our sponsors enable us to provide performance venues and technical staff at low cost to the performers. In-kind sponsorship can be a variety of things — design or printing services, equipment rentals, donation of beverages for our events and concessions, or reduced rental fees at venues. Everything that saves money helps us to keep ticket prices low and support our artists!

**BENEFITS**

Our sponsors get to be part of one of Denver’s newest and most innovative cultural assets. Each June we bring thousands of people who love bold, independent live performance to the RiNo/Five Points area. Our sponsors’ logos are featured on our website, social, e-newsletters, press releases, posters, t-shirts, and banners which will be displayed prominently at all of our performance venues. In addition, sponsors receive two All-Festival passes and access to the Fringe Hub, our festival information hub and gathering place for performers.

**COMMUNITY**

The Fringe is all about community, and everyone involved becomes part of that community — from our artists and audiences to our venues and sponsors. We look forward to building long-lasting relationships. Please contact us at info@denverfringe.org so we can talk about how we can work together!
Meet Ann Sabbah of Denver Fringe Festival

Denver Fringe Festival will take over part of RiNo this June

The festival is moving to a hybrid of in-person/virtual programming after last year's inaugural festival was forced online.
