**DENVER FRINGE FESTIVAL OFFERS SHOWS AND WORKSHOPS FOR KIDS AT THE KIDSFRINGE**

**Denver, CO -- 6/17/21**

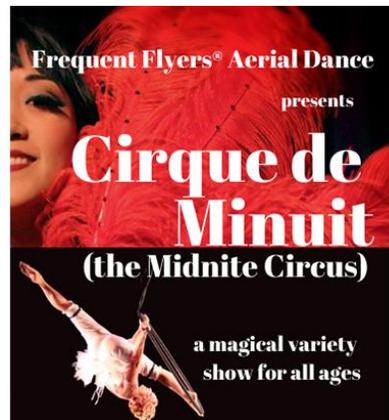

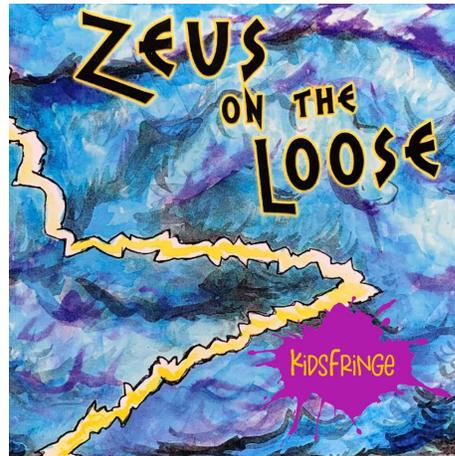

The Denver Fringe Festival is back for its second year June 24-27 as a hybrid festival with 37 distinct shows, both live performances at indoor and outdoor venues in Five Points/RiNo Art District as well as live-streaming and pre-recorded shows.

This year's festival also includes a KidsFringe which will take place Saturday, June 26 and Sunday, June 27 at the Zabiti circus wagon, parked at the corner of 26th and Curtis streets behind the Montessori Academy of Colorado (2500 Curtis St). This weekend-long event is packed with family-friendly shows and free workshops for kids in things like clowning, circus, and improv.

"I really wanted to have a KidsFringe where kids and families can experience live performance together," says Ann Sabbah, Executive Director. "Kids who are exposed to the arts end up loving and supporting the arts as adults."

In addition to the kids shows, three local circus companies will be performing original shows featuring aerial and other circus arts. Rainbow Militia artists will perform and teach circus arts skills, Soul Penny Circus will be premiering their original show *A Sea Fable*, and the professional company of Frequent Flyers in Boulder will perform their *Cirque de Minuit* (Midnite Circus).

Most kids programming is free. All workshops are free and are open to kids ages 6-12. Tickets and reservations for the workshops are available at [denverfringe.org](http://denverfringe.org).
